

Ham 206 – Articles

Dr. Marc & Rosemary Durham, Theway Labs, Bixby, OK © 250521

Evergreen Book (Ham 175) is a compilation of How To articles for building stations and antennas. Its recommendations are based on the most usable systems for the Mission. Other ways exist but these fit most of Evergreen Communication Group. Also published in *Evergreen Book*, ISBN: 9798306770734, available on Amazon.

Get Your License (Ham 175c) is the material which helps getting started. Specifically designed for Technician, the exact same process works for General and Extra. 1) Read the question. 2) Read ONLY the correct answer. 3) Use a hint. Repeat 5 to 7 times in less than 4 weeks and pass the exam. Promise.

Post (Ham 175p) is material added after publishing the Evergreen Book.
